Music, Leadership, and Community:
Our Executive Director: Tommy Wood
Hits The Right Note!!

Music has the power to uplift, connect and inspire, and seeing our Executive Director share his passion so openly was a testament to his dedication to the well-being of our residents. Beyond his administrative role, he embodies what it means to lead with heart—engaging directly with the people he serves, fostering meaningful relationships, and making every moment count.

The success of this Happy Hour highlights the importance of personal connections in senior living. Residents were singing along, tapping their feet, and reminiscing about the songs of their younger days.

Thank you, Tommy, for making our resident's Wednesday happy hour extra special!!
