Bring on the New Year

“What the new year brings to you will depend a great deal on what you bring to the new year.”
—Vern McLellan

Manifest the Best

You’ve set a goal for the new year. Now what? It’s time to manifest the results you want. While some descriptions of manifestations may sound a little out there, at its core, this self-help method is simply taking small steps every day to achieve your goal. Common manifestation techniques include making a vision board, practicing gratitude, journaling or meditating to focus your thoughts.

Freedom and Service

Monday, Jan. 19, is Martin Luther King Jr. Day, also known as MLK Day, remembering the legacy and work of American civil rights activist and minister Dr. Martin Luther King Jr. This federal holiday is also a designated National Day of Service.
