June 2026

Father's Day Is June 21

The third Sunday in June is Father's Day. Show your gratitude for the dads in your life with a card, gift, visit or phone call.

Playgrounds Made for Seniors

Playgrounds aren't just for kids anymore. Multigenerational play spaces are becoming more common, giving older adults a place to work out, walk, swing and simply have fun. Already popular in Asia and Europe, the trend is spreading across the U.S. with several companies building the outdoor facilities, which are designed with low-impact exercise equipment that promotes flexibility, balance and coordination. The fitness parks also serve as social hubs for seniors.

Summer Solstice

Sunday, June 21, is the summer solstice, the longest day of the year.
