This July, our nation celebrates a truly extraordinary milestone — 250 years since the signing of the Declaration of Independence on July 4, 1776! From thirteen colonies daring to dream of something new, the United States has grown into a nation with a rich and remarkable story, one that each of us has lived through and helped shape. As we gather this month, we honor the history, the sacrifice, and the enduring spirit that has carried America forward for two and a half centuries. Happy 250th Birthday, America!
